STATE BUDGET CRISIS = EAGLE PEAK BUDGET CRISIS

Dear Eagle Peak Family,

As all of you are aware, the state of California, as well as the nation is still in a time of economic crisis. Eagle Peak has been fortunate to be able to weather the cuts and deferments of payments from the state thus far. However, with the possibility of additional cuts still to come, Eagle Peak's financial future does not appear as bright.

We are planning to share an update on this information through the upcoming Budget Workshops. While attendance at these meetings is not mandatory, it is strongly requested. We need you!

Please plan to attend one of these two meeting dates:

Saturday, February 26 at 9:00 am

or

Tuesday, March 1 at 7pm

(immediately following the PTLG meeting which will start at 6:30pm)

Thank you in advance for making time to join the EPMS Board, teachers and administration for this informational meeting.

Sincerely,

Michelle Hammons
Principal
