

UPPER ELEMENTARY

PARENT BOOK CLUB

PLEASE RETURN BY NOVEMBER 1, 2013

Dear Upper Elementary Parents,

For many years parents have asked, well ok- pleaded for us to grow to middle school. The time is now. We are moving forward. We are revising our charter as we go into renewal to serve grades 7th and 8th.

We invite you to join us on the journey.

Starting on November 12th, Denise May and Annie Rodriguez will lead a book study for Upper Elementary parents. We will be reading and discussing the book, "Secrets of the Teenage Brain."- by Sheryl G. Feinstein. We originally considered that this would be primarily for the 6th grade parents, but we realized that all Upper Elementary parents should participate.

For all parents who sign up to be a part of the sessions, Eagle Peak will purchase the book. We require that anyone receiving a book from the school, agrees to attend all of the sessions.

Sessions will be held the 2nd Tuesday of each month at 7pm.

If you would like to attend a few sessions you are welcome. However, Eagle Peak will purchase the book for those who agree to come to all sessions(ok- we know that ONE emergency might happen).

Please detach the form below so that we know how many books to purchase.

Looking forward to move forward with you,
Michelle
