Notes from Michelle

As you know, Eagle Peak has an excellent reputation in the community for our students and our program. I would like to encourage you to help us maintain the reputation and to help build it in our local neighborhood. I have received a few calls lately specifically addressing the way parents drive into the school parking lot in the morning. Neighbors who are leaving home for work are a bit taken aback by the speed which cars travel down Hutchinson Road with children in the car. Please make sure that you are being both careful and courteous of others on your way to the school. Safety first. Thank you for your cooperation.

Tuesday, May 31, we will be holding an informational meeting regarding our Local Control and Accountability Plan (LCAP). We would like to invite parents to come and learn more about what this plan is and offer any thoughts or questions they may have. We will begin at 6:30 in Room 701. If you would like to attend and you will need childcare during the event (Eagle Peak students only), please complete the attached form. If we do not receive any reservation forms back, we will not plan to have childcare available.

Notes from Michelle (con't)

This past week, both the board of directors and the teaching staff went over the results of the parent survey. We are proud of everything we accomplish throughout the year and yet we are always seeking ways to improve as well. While every suggestion cannot be acted upon, they are always appreciated. We value the commitment of our Eagle Peak families, and we appreciate willingness to give us feedback. (Plus it is always lovely to hear the good stuff as well.)

Next week our 6th grade students will be hiking in Yosemite. This is not only the culmination of the elementary journey but helps to prepare them for the adolescent program. The following week the 4th and 5th grade students will be heading out to Westminster Woods.

One more week of CAASPP testing for the 3rd grade students and then the testing is done for the year.

Hope to see you all at next week's End of Year picnic.
